

DIGITAL LEARNING

ST JOSEPH'S SCHOOL, NORTHAM

Individual iPads for Years 7 - 12 Students

St Joseph's School, Northam is a school designed to prepare students for learning in the 21st century.

The use of 1-1 iPad will greatly enhance student learning as they begin their journey into secondary schooling.

Teachers have also changed their lessons to accommodate the ever-changing nature of information.

Why iPads?

- Potential to transform learning
- Anywhere, anytime learning
- Personal device, personalising learning
- Tool for creativity
- Capacity for delivery of content—digital texts, e-Pubs, Web 2.0
- Educational Apps
- Touch screen technology
- Light, portable, cost-effective
- Long battery life

Rapid and continuing advances in information and communication technologies (ICT) are changing the ways people share, use, develop and process information and technology. In this digital age, young people need to be highly skilled in the use of ICT.

CONVENIENCE

Minimum Specifications for iPads at school

Individual iPad specifications, should be:

- 4th Generation iPad or later.
- 32GB or greater.
- Protective case (recommended - Otterbox Unlimited for iPad Air)
- We would prefer the iPad to be non-cellular for school use.

Older iPads below the minimum requirements will not be suitable for school use.

Please Note: The school is not responsible for any damage or loss to your child's iPad. Students are to become responsible managers and take every care and precaution when using their iPads. Parents/guardians are encouraged to make arrangements on their household policies to cover theft, damage or replacement of iPads.
